

# Risk Management

What is your ultimate financial goal?

---

---

---

What is your timeline for achieving these goals?

---

---

---

Is your plan congruently aligned with your goal?

---

---

---

What are the benefits of reaching this goals?

---

---

---

What are the risks of not meeting this goal?

---

---

---

What affect would these risks have on reaching your ultimate goal?

---

---

---

Can any of these risks completely destroy your ultimate goal?

---

---

---

What steps can be taken to mitigate these risks?

---

---

---
